A look into the Holy Feast Days, what Are They & Why there Important for All Believers? Today I am going to be talking about what the Holy Feast days are, and why there important to understand. I did a Teaching Blog post on this a while ago and feel like YAHUVEH GOD YAHUSHUA JESUS wants me to talk about this today.

Before we continue, your probably thinking "Wait...arent these only for the Jews?" Well no they are not , And I'll tell you why. The Holy Feasts are meant for ALL believers, yes, ALL Christians. You do NOT need to be biologically Jewish to obey them, to observe them. They are meant for you and me, as we are grafted into the vine and the vine being YAHUSHUA HA MASHIACH (JESUS CHRIST in Hebrew). You can read more about this in Romans Chapter 11:11-31.

See, YAHUVEH GOD has created these special set apart days for us, and they are so special too HIM, YAHUSHUA (JESUS) when HE walked this earth, He observed them HE also taught the believers (disciples) to Observe them.

If we as Christians, we as believers, are supposed to follow HIS way, and follow HIS example, wouldn't it make perfect sense that we are to Obey these as well? You know why? because HE created them for a reason and HE already fulfilled some of them the Spring feasts, When HE was here on earth and with HIS sacrifice at Calvary. HE will also fulfill the, Fall Holy feasts when HE returns for HIS Bride, and the Guests and then

through the Millenium, everything that has to happened, will make more sense when you study and learn about these special Holy Feasts and you are truly blessed when you Obey Them.

We are to also, observe and obey HIS Shabbat ( Sabbath) Friday Sunset until Saturday Sunset. This is one of the 10 commandments so it is Important to do all that you can to obey this special set apart day. No folks it is NOT Sundays, as your pastors have most likely taught you. Study about it learn about it and you will draw closer to YAHUSHUA (JESUS CHRIST) and YAHUVEH GOD.

We are after all, to learn to be pleasing to HIM, and to be Holy and Set apart.

You can generally learn the very basics about each of the Holy Days, in Leviticus 23.

However, to learn more spiritual meat, I Highly suggest you check out AMW, [www.Amightywind.com](http://www.Amightywind.com)

Passover and the Holy Feast of Unleavened bread is coming up on April 1<sup>st</sup> at sunset.

I have some more in depth things as well shared on the teachings blog post I did, awhile back which I will provide in the link below

I hope you got to learn some things about why YAHUVEH GODS Holy Feasts are important and that you will take some time to study for yourselves.
