

LEARNING TO WALK BY FAITH & TRUSTING IN YAHUVEH GOD

Walking by Faith requires, us to put our whole dependance and trust in YAHUVEH GOD, in YAHUSHUA (JESUS). We rely on THEM, knowing that what they say in their Word (The Bible), is True, and we learn to stand on what the Word says and we believe, even though we cannot see the outcome, we cannot see what will happen in a situation. This is not always easy, I don't know about you, but there has definitely been times in my life where I struggled with this. We get wrapped up in worrying, in stressing ourselves out, thinking the worst possible. We get discourage, hopeless, and we think negative. How can we help ourselves in these moments?

We must seek YAHUVEH GOD, YAHUSHUA (JESUS), in prayer, and lay everything down, laying our anger, our stress, our worries, our concerns. Ask HIM to help you so you can trust HIM more so you can allow HIM to work according to HIS will for that particular situation and reminding yourself that HE is in control to what happens in your life.

Another great reminder, is that HE works everything for our Good

(Romans 8:28) ESV "28 And we know that for those who love God all things work together for good, [a] for those who are called according to his purpose."

GOD never gives us more than we can handle. Sometimes it is hard in the moment in the experience, to remember what HIS promises say for HIS Children.
T

his is why It is so crucial to stay in HIS Word, and to memorize these promises HE has for HIS, especially when we need to remind ourselves, the truth.

When we need to encourage ourselves, we can rest in what HIS promises say in the Bible as long as we stay Faithful as long as we Obey, HIM, we can remain at peace and be comforted knowing that HE will work out the situation for HIS own purpose to help us, in our Faith to help shape us into HIS liking. Ultimately, HE knows what is best for us. So stay hopeful resting in THEM, and knowing that you can trust them and rely on them for everything.

Without Faith, we cannot please them. This is another very important thing to remember. We must have Faith, which goes hand in hand with Trust. When reading the Bible, HIS Word, we must Believe what it says and put that into action, without faith our work is dead.

Read James 2:14-26 and reflect on today's topic and look up some additional verses on Faith & Trust.
