

## WAITING ON GODS TIMING

---

What does it mean to wait on GODS (YAHUVEH in hebrew) timing? well there is a lot of moments in life, where we will be required to wait on HIM, maybe its waiting to know what direction HE wants you to go in with a job, or maybe its waiting for HIM, on direction if HE wants you to move somewhere else. It can be a lot of different things, but at some point in your life more than once YAHUVEH GOD will want you to learn to wait. You might be saying wait what? I have to wait and be pateint? well, yes HE wants us to learn to be patient and wait and Also most importantly, Trust in HIM because HIS timming is always perfect. Patience is also a fruit of the SPIRIT). ( THE HOLY SPIRIT) also known as the RUACH HA KODESH in hebrew.\*

Waiting can be hard, especially when you really want to know something. But when we learn to wait on HIM and be patient, we also are learning to strengthen our Faith too in these moments. We also have to let go of all control, and put everything in HIS hands. When we do this, we can have a peace that surpasses all understanding like HIS Word the Bible tells us. We wont have to sit there and worry or be afraid of the unknown. We will KNOW, in Faith that all things work together for the good of those who love GOD who are called according to HIS purpose(Romans 8:28 ). We can place, our worries, our cares , and our fears and lay it at HIS feet. Another important thing with this, is we must be willing to lay down our wants, and be willing to say to HIM, Whatever your will, may it be done. We also need to learn to listen to HIS voice and make sure we are testing the SPIRIT that speaks, and make sure that we obey anything HE tells us to do. We obey because we Love HIM, and we do what HE wants according to HIS will because we Love HIM.

When you desire to be pleasing to HIM, you will desire to do all that HE calls you to do and that's with anything in life, like the examples I mentioned above. We just have to be willing to Wait at times, and know that HE knows what is best for is always.

What things have you had to wait for , before and how did it help your Faith grow?

How has learning to wait on HIS timing helped your Relationship with HIM?
