

Salt n Light Reflections

Episode # 11

Crossing of the Red sea

For Today's Bible Study, Read the below information & Answer The Bible Study Questions, and there are some Assignments as well. If you would like to listen to the Episode as well)

Today's topic will be on the Red sea Parting, I am sure you have heard of the Crossing of the Red Sea, and the Israelites deliverance, from the Egyptians. If you haven't heard of this then I hope this episode helps you. If you have, you will also be encouraged, with today's episode, because in this story we can see GODS hand in delivering HIS people. Even though they had to go through so much, YAHUVEH GOD used Moses to help lead HIS people into deliverance. With the parting of the red sea, we see HIS mercy; we see HIS protection. We see that Just like then, YAHUVEH GOD, can deliver us of anything, and it's only possible because of HIS SON YAHUSHUA HA MASHIACH (JESUS CHRIST). Read Exodus 14 to read about the Red Sea parting.

Praise YAH for being so merciful even though we do not deserve it. Just like the Isralities, had witnessed miracles with there deliverance, from slavery, we witness miracles and YAHUVEH GOD's hand in deliverance in many ways. Think about all of the times HE has protected you, HE has shielded you and provided a way for you to get out of whatever it is you needed help in you needed delvierance in. HE always makes a way for HIS children who obey HIM. HE loves each one of HIS and, HE can do anything, anything is possible for those who believe. Imagine this time when the Isralities were parting the Red Sea, how magnificent of a site that must have been. Yes they had to hurry and move quickly to get a way from there enemies but think of how amazing it was to witness YAHUVEH GODS miracle in this situation and when they thought they didn't have a way out, is when YAH provided a way out. Just like HE does now. HE can part the red sea for us too

If there is anything you need deliverance in today, Believe in faith and ask HIM and HE will help you, HE will set you free. Be willing to repent and humble yourself before HIM and choose to trust in HIM, and allow HIM to help you. I can say for

me personally, there has been many situation's in my past where I really thought I wasn't going to make it. But because of HIS hand on me and me asking HIM for help HE always helped me, even when I was lost even when I was lukewarm YAHUVEH GOD showed me that HE was there. HE was waiting for me to come to HIM. I would not be here today if it wasn't for HIM. Each one of us would not be here today if it wasn't for YAHUVEH GOD and HIS mercy and love and patience, HE waits with open arms for us. All we have to do is ask. Seek and you will find, like the bible says, seek HIM with your whole heart and soul. HE is our Exodus, YAHUSHUA has made a way for each one of us and because of HIM because of the price HE paid for us, we can be set free, healed and delivered.

So I encourage you to read about this the red sea parting and the miracles the israelites saw and had, and be encouraged and know that HE is the same GOD, HE does not change. HE is there to help make a way when there is none.

Bible Study Questions:

1. What did you learn about Deliverance?
2. What is an area you need a Red Sea parting in?
3. What did you learn about the Israelites Crossing the Red Sea?
4. How did Moses demonstrate faith in God during the crossing?
5. How did the Israelites react to the miraculous event?
6. How can this story be applied to challenges faced in our lives today?

Assignments:

- Read Exodus 14:1-31 and summarize the key events of the crossing.
- Research historical and archaeological perspectives on the Red Sea crossing.
