

The Promise of Isaiah 40:31

To soar, or mount up, on wings like eagles means that **GOD will bring his people through the storms they are facing**. This is an incredible image of what YAH'S (GODS) people have to look forward to. GOD will not only renew their strength, but HE will bring them through all the obstacles they are facing

Isn't that encouraging? when you are facing, difficult seasons in your life, our true comfort can come, from knowing that we won't walk alone, we have YAH on our side, and HE will help smooth things out and ultimately strengthen our Faith & Trust in HIM. Today's post, I want to talk more on one of my Favorite verses, that has always comforted me. And that is from **Isaiah 40:31**.

"But they that wait upon the LORD shall renew *their* strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

1. Eagles are known for their strength and ability to soar above the clouds and through the storms; they are powerful creatures. In ancient culture eagles were revered as mighty and courageous warriors who would fight for their young.

YAHUVEH GOD, will give us strength and sustain us through the trials we are facing. The Israelites, they wandered for 40 years. YAHUVEH GOD, delivered them and HE helped them, even though they complained and grew weary. Sometimes it can be so easy, to get into our flesh, and want to get angry, want to give up. But YAHUVEH GOD has boughten us this

far, and HE wants us to keep clinging to HIM, & to keep pressing forward, we Cant Give up. That is what the d wants..let us continue to rely on YAH for strength to sustain us through the things we face on this earth. What I love about Eagles, there my favorite bird, is that they are so strong, they just keep pressing on, and it fascinates me, and reminds me that we too need to do the same, and we can be strong through YAHUSHUA (JESUS).

While this verse was written to the nation of Israel who were facing difficult hardships, the same principles apply to us today. Our call is still to place our hope in, and wait on, GOD. Whatever we are facing we are called to trust in GOD, and he will sustain us.

The promise of Isaiah 40:31 is found all throughout the New Testament. In Ephesians 3:20 Paul tells his readers that GODs power is at work in us. In James 1:12 we see that great is the reward for those who trust in GOD through trials. And in Hebrews 12:2 we are told to run the race with perseverance.

Just as GOD provided for the nation of Israel GOD still provides for his people today. And the message of the Bible is clear, trust in HIM. There will be dark days and tough trials, but for those who place their hope in the Lord and wait upon him, he will lead them through. GOD's people will soar on wings like eagles.

Take a few minutes to reflect not his verse. Look at how GOD has sustained you in the past and spend some time praying for strength going forward.

At times, we have all faced it- one day or another, one season or another, where we simply just feel so worn out. That is when we really need to lean on YAH and Rely on HIM. We always need too- but especially, when we are

facing these dark days, and tough trials in our lives. I think one of the hardest things I am sure some of you can relate, out there, is when you have to Wait. Waiting, isn't fun, and waiting isn't easy.. but sometimes, it is necessary. It's in the waiting we have to keep our hope alive and trust that YAHUVEH GOD will bring us through it. Thing's will get better, What did you learn about this verse today? share below in the comment section
