

The Sermon on the Mount:

This is one of my favorite teachings,

In Matthew Chapter 5, there are some very important lessons we can learn, YAHUSHUA (JESUS) teaches, and encourages HIS followers to be influential presences in the world, spreading YAHUVEH GOD's Love, and working towards righteousness in their daily lives.

HE first starts out with the Beatitudes which you can read in Matthew 5 :1-12, YAHUSHUA begins HIS sermon by pronouncing blessings, which are called the Beatitudes. HE mentions, blessed are those who are poor in SPIRIT, blessed are those who mourn, and blessed are those who are Meek and hunger and thirst for righteousness. HE mentioned being merciful, pure in heart, and those who are peacemakers. YAHUSHUA promises us that we will get rewards in Heaven, portraying the values of the Kingdom of YAHUVEH GOD. Just like HE was teaching HIS disciples these important lessons, its for us too.

The second thing HE teaches is, To be the Salt and the Light, which you can read in Matthew 5 :13-16. YAHUSHUA teaches about how believers need to maintain there Saltiness and let there light shine before others so they can glorify YAHUVEH GOD. We are to be an example for HIM and follow HIS ways.

The third teaching HE teaches that HE has come not to abolish the law and the Prophets, but to fulfill them. You can read in Mattew 5:17-20). In the 4th Teaching YAHUSHUA teaches about anger, adultery, divorce & oaths. You can read in Matthew 5:21-37, YAHUSHUA, talks about how we should not make false oaths but encourages us to be truth telling. In HIS 5th Teaching HE talks about

love for our enemies which you can read in Matthew 5:38-48- This doesn't mean enemies who are doing evil things that are satanist, those that are considered reprobate) reprobate are damned to hell. HE is talking about our enemies who do not know any better, and there is a chance for them, there is hope for them to repent. Look up what a reprobate is.

We learn from the Sermon on the Mount that we are to live Holy, pursue righteousness. We want to depend on YAHUVEH GOD, recognizing our need for HIS grace and guidance. We want to be a positive influence in our community reflecting YAHUSHUAS love, and truth in our actions & words. We are to focus on internal transformation in growing more in the fruits of the SPIRIT. We want to forgive those who persecute us.
