

How to live in this world, but not become of this world

We are to be a light for others, for YAHUVEH GOD, for YAHUSHUA(JESUS). How can we live in the world , but NOT become of the world? If you have ever wondered what that meant, this blog post is for you.

Romans 12:2 ESV Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.

1 John 2:15-17 ESV Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. For all that is in the world—the desires of the flesh and the desires of the eyes and pride of life—is not from the Father but is from the world. And the world is passing away along with its desires, but whoever does the will of God abides forever.

Yes, we live in this world, temporarily because as believers as Christians, our true home is in Heaven. A way to not become like this world, is staying away from sin.(s). Staying away from what the world offers, drinking, porn, drugs etc. Staying away from the lifestyle of partying etc. Pretty much staying away from anything you know is unholy and is sin.

We are to be set apart, and yes that does mean that you will , loose people in your life. Yes that does mean you will face persecution in your life, but it will all be worth it and we are never ever alone. There is times where I am sure you have felt alone, I know I have at times. I do still at

times. But the truth is, we aren't alone ever we have the best helper the best comforter we could ever ask for, and that is YAHUVEH GOD, that is YAHUSHUA (JESUS). HE is there for you, HE is there for me.

When we get weak or weary, and the devils ends his people to attack us, we must stand firm we must stand strong, not by our own strength, but by YAHUVEH GODS Strength. HE is the one who sustains us, HE is the one who gives us the ability to press onward, even though we grow weary at times, it is HIM who upholds us, it is HIM who Guides us, and HE protects us. We are Never facing things alone, the battle belongs to HIM and yes while we are on this earth we are certainly in a battle.

Good against evil but Good always has the victory, because YAHUSHUAS sacrifice at calvary made a way for you and me. We have the victory and can become overcomers through YAHUSHUA(JESUS). Praise YAH that we have that. We can claim that.

We have to remind ourselves what GODS Truth says, what does HIS bible say? and we need to remember to rebuke out the devils lies. By, testing the SPIRIT that speaks(1 John 4:1)

Sometimes, it can become so easy, to get wrapped up in our flesh, in our negativity, in our anger, in our frustration, and it can be hard when you are facing the battle and it feels like everyone is against you. There is a reason we face this, and that is because the darkness will never like the light. And for believer's, for Christians we are of YAHUVEH GODS light.

When the going gets tough we can rely on HIM, we can rely on YAHUVEH GOD, on YAHUSHUA to help us. We always have them by our side and we can take comfort knowing that HE will fight on our behalf.

Part of being the light for YAHUSHUA (JESUS), is we have to use wisdom we have to be discerning, and making sure we are being led by the RUACH HA KODESH(HOLY SPIRIT), when we are witnessing to someone. You will know when you are suppose to because you will feel the conviction and YAH will help guide you on what to say, and when to say it.

There are times , simply just by how we act, the things we say or just being a listening ear, there are many ways YAH can use us in this world, to be a light to be an example. Another important thing I want to share and mention is, when trying to witness to someone and being an example for YAH to them, in our everyday life's, like at your job(s) we have to really make sure we are firm in our Foundation and staying away from any kind of temptation(s), this is important every day, we should have a firm foundation in YAHUVEH GOD, in YAHUSHUA(JESUS) and we should be rebuking out any temptation's we face. But especially when we are surrounded by evil, and when we step outside and go to our jobs and I am sure it depends to which type of job you have and the environment but even just in general we are really needing to remember to keep and put that Ephesians 6 Armor on us each day. We need to be prayed up anointed and prepared. Because the battle is real, but remember we have the Victory through YAHUSHUA HA MASHIACH our MESSIAH, our Friend and our Savior. We have HIM on our side.
